MARCH & APRIL 2017

Thriftastic "DIY" TIPS ANYONE CAN DO!

Lamps! First, pick out a lamp at The Bridge Thrift Store that you would like to recover. Next, spray paint the base of the lamp with the color of your choice. After that, pick out your favorite twine from a craft store. Slowly wrap and glue (with a hot glue gun) the twine to the original lamp shade. When you're finished, plug it in and let your creation shine! Share it on social media with the hash-tag #checkoutmyfind.
