Thriftastic "DIY" TIPS ANYONE CAN DO!

Make your own t-shirt bag! First, stop by The Bridge Thrift Store and find a unique t-shirt that you would like to use. Next, turn your t-shirt inside out and trim off the sleeves & collar with a pair of scissors. After that, sew along the bottom edge of the t-shirt in order to close your bag. Lastly, flip your shirt so that it is right side out and your done! Don't forget to share your DIY creation on social media and tag @bridgethrift with the hash-tag #checkoutmyfind.
