Thriftastic "DIY" TIPS ANYONE CAN DO!

Spring & Summer wreath! First, stop by The Bridge Thrift Store for the flowers that you would like to use. Next, get an 18" grapevine wreath, and scissors. After that, cut all of the greenery and flowers to shortened stems, and lay out the design you would like on your wreath. Begin weaving foliage & flowers into the wreath so that they are secure. Lastly, share your DIY creation on social media with the hash-tag #checkoutmyfind.
