Let's get this out of the way first: this is not a request for money. Instead, I would like to show you how two minutes of your time could have a huge impact for a local organization I care a lot about.

The Bridge Teen Center in Orland Park, Illinois has provided FREE afterschool programs to more than 8,000 different teens from 128 different communities since 2010. The Bridge relies entirely on the generosity of the community to raise the \$960,000 operating budget that is required to provide students with hundreds of free programs this year. Not a single dollar comes from the government!

The Bridge Teen Center is honored to have been selected as a finalist for **Chick-fil-A's 2019 True Inspiration Award**. The winner will receive a \$75,000 grant – which for The Bridge Teen Center, translates into free unlimited free programming for hundreds of students this year. The Bridge needs your vote to help secure this much-needed support.

In 5 quick and easy steps, you have the power to impact hundreds of young lives at NO COST TO YOU:

1. Download the Chick-fil-A app on your mobile device.
2. Login using your Facebook or Google account (or register through the app).
3. Click the "rewards" tab at the bottom, then the "news" section at the top.
4. Click "vote now", then select the Midwest region.
5. Cast your vote for The Bridge Teen Center!

I also hope you will also consider sharing this on your social media and at your workplace, church, or with family. For your convenience, I'm including a potential social media post below:
