

DRIVE OUT BULLYING

Month-long campaign hosted in October for:
NATIONAL BULLYING PREVENTION MONTH

ENGAGE. CONNECT. EMPOWER.

The Bridge Teen Center and **The Bridge Thrift Store** proactively combat bullying on a daily basis by providing **FREE** afterschool programs, events, and job readiness programming that are designed to engage, connect and empower teens. You and your group can support **LOCAL** teens and families during **National Bullying Prevention Month** in any of these 3 ways:

VOLUNTEER.

Did you know that just **3 hours of volunteer time from a group of 6 can generate \$1,350 in support** of our free programs? Service projects will be held throughout October for individuals, families (no children under 10), businesses and other groups. Volunteers receive t-shirts while supplies last.

DONATE YOUR STUFF.

We rely on your donations of gently used clothing, furniture and home goods to raise support for The Bridge Teen Center's free programs. Each car dropping off donations in October will receive one free reusable canvas bag (while supplies last). This bag can be used for shopping or refilling with donations!

SHOP.

We process hundreds of bags of donated goods throughout October, which means our store stock is changing daily. Stop in for some incredible finds! The best part is, your bargain-hunting will support the programs at The Bridge Teen Center that combat bullying for LOCAL teens on a daily basis.
