The voice of The Bridge Thrift Store

JANUARY & FEBRUARY

Thriftastic "DIY" TIPS ANYONE CAN DO!

Make your own mercury glass vase! First, stop by The Bridge Thrift Store and find a few clear glass vases. Next, stop by your local hardware store for Mirror-like spray paint and a spray bottle. Fill the spray bottle with equal parts white vinegar & water. Mist your glass vases with the spray bottle. While mist is on vase, spray paint each vase. After 30-60 seconds, lightly blot the glass with paper towel or a soft rag.
